 - i. Presenter: Jaren Harris

Review of the quote for an AV upgrade including soundproofing in SU-204 to comply with expectations of accessibility on zoom in accordance with the Brown Act. VP Harris states we have received concerns of not being able to listen to ASG Zoom. VP Harris inquired with Ryan Davis for a second quote that can take about 5 days. The business item is to determine if ASG will accept this quote or see another quote.

Motion to approve: VP Harris

Seconded: VP Miller

Discussion: Student Trustee states that if we are currently working on addressing the complaint, should we not take our time?

VP Harris states that the longer we wait, the longer the issue will persist. This item has a process. VP Ruiz stated that during Finance committee it was shared that a second quote would not be much of a difference. VP Harris did not get the exact number of the price difference. Vendors do price match the difference would likely be a cost in labor. Might save another couple hundred dollars.

Senator Barnes states that given that we have enough funds in Fund 72 and if ASG has an opportunity to do this, maybe we should approve to make this process faster.
