8. **UNFINISHED BUSINESS**
    Discussion/Action– 5 Minutes per Item

9. **NEW BUSINESS**
    Discussion/Action – 5 Minutes per Item
    a. Monetary Request
        i. Café International
        ii. Department of World Languages
        iii. $600.00 Requested ($450.00 fundraised)
        iv. Each instructor will be spending the money on culturally specific food items. The funds will be spread across the languages that we offer - Arabic, Chinese,

French, German, Italian, Japanese, and Spanish. The $600 that we are requesting will be used as follows: Italian pasta - $125, German pretzels - $100, French pastries - $100, Japanese candies - $100, Arabic baklava - $100, Chinese traditional treats - $75

Motion: Delegate Rodriguez
Second: Senator Brisby
Discussion: VPIA Tyra Crouch, recommends securing a smaller amount for this semester since they are going to be coming back in the Spring. Proposes $300 for half of the request. And then we can consider providing more in the Spring if we have enough funds available for this effort. We only have a $3000.00 budget for the entire year, so they are concerned about spending this much at the start of the year.
Senator Brisby: Recommends keeping it at the $600.00 or at most recommended reducing it to $500.00. He visited the event himself and said there was great engagement, and it was a good use of funds.
VPIA Tyra Crouch; Shares concerns about how this event takes place over two semesters and how this is a significant portion of the budget.
Senator Tscherne: Agrees and feels that the motion should move to $300.00. Would rather focus on supporting fundraising. Feels that it's a lot early on.
Senator Brisby: feels like it should be $450.00.
Delegate Rodriguez: Wants to feel the temperature if $450.00 is too much, which is 75% of the original request.
VPIA Tyra Crouch: Feels like we are looking at it from a bigger picture of the overall budget.
Senator Tscherne: Feels like this is early and supports VPIA Tyra Crouch's stance that we can fund this more heavily at the start of Spring when we have more.
Senator Parmenter: Sharing that this is more about rationing out the funds to ensure an even spread throughout the year.
Delegate Grub Morrison: Questions about how many monetary requests came in during previous years.
VPIA Tyra Crouch: Shares that it is uncertain how many will come this year and that we want to budget appropriately.
Trustee Fridman: Shares that there is going to be increased financial instability and budget cuts, so we need to keep in mind that there may be more programs and departments that are struggling.
VPA Ott: Said that on the basis of consistency, we approved $200 for the last event with a much lower projected attendance. By comparing projected attendance of the two events, this is reaching a broader scale and may need more.
VPC Bandong: Also recommends and feels around $400.00 or $450.00 but shares that this has been a proven event with success.
Delegate Grub Morrison: Requests to have more knowledge and insight on previous events before we have to make decisions.

Advisor notes: All previous agendas are posted publicly; ASG members can look through previous meeting minutes for more information on requests prior to meetings.
