3. OFFICAL REPORTS
    a. Executive Reports – Three (3) Minutes Each
        i. Interim President Jared Woolridge

Not chairing todays meeting, will likely have to leave early due to attendance on ICOC. Last weekend, attended the Student Leadership Conference, highly recommends that people apply to go on these trips to go and network with people. It was cool to see other student governments and see how their structures are and how they apply. Shared that three VP are attending a part of the Superintendent president search and helping the search and ensuring that students have a voice for the selection of the next incoming president.

        ii. Executive Vice President Rabab Hussain

Attended the destress event – met with Advisor Stephanie to discuss EVP role and additional duties. Shared that Jared has a lot on his plate and will be working with him for project delegation and items.

    b. Trustee Report – Three (3) Minutes
        i. Trustee Fridman

Stated a lot has been happening in the last two weeks. First checks who brought their ASG handbook with them, reminding them to bring with them to every meeting and the importance of having them on hand. Attended communication committee (leaving in-depth report to Celine as to not overshadow her) as well as governing board meeting in Rancho Bernardo. Stated the 5-year internet upgrade plan had been approved. Talked about students getting approved preferred names in the system. SDGE (golden pacific powerlink map) planning to install power lines in southern CA to Temecula. The power will be going to LA not SoCal so community members are opposed to plan, will update on resolution of the matter in next meeting. Finalists under review today for Palomar College's presidential search committee. Gave credit to Jared and Kurt for being on committee for this event. Led to discussion of the use of an accountability tracker, which had been previously implemented but saw little participation. The reason for this system is the desire to establish pay/compensation for participation in these events. Annual budget has been released, and a booklet is available for viewing. Palomar College will be requiring ID verification during enrollment to combat fraud (effective Spring 2027 and required for all students). Concerns about impact on dual enrollment students have been discussed. However, concerns over impact on undocumented, first generation, and English Learner populations were not discussed in meeting. Looking for ways to advocate and collect information for these specific populations. Issues regarding noncredit courses. More vegetarian options being introduced to the cafeteria look hopeful. Police dept. offer escorts for students to and from classes to their cars (vice versa). Included operating hours for PCPD. Encourages to spread the word about this service offered. Attended the Together We Paint This Country event held on 10/22 celebrating undocumented & immigrant students. Governing board on Tuesday. More updates to come.

c. Advisor Reports – Three (3) Minutes Each
    i. Stephanie Linnander

Stephanie noted not speeding through the long reports so that the minute takers can accurately record minutes. Introduces Sarah as the new substitute student activity coordinator and what her role will be in student life. Assisting in event planning but will not be responsible for staffing of ASG's tables or volunteer participation. Segway into issue of not having volunteers in these events, and that if we do not have ASG volunteers, participation in these events will be forgone. Stressed the importance of programming and visibility as ASG. All senators please record office hours since some members are out of town. Makes availability known for others to meet and collaborate with this next week. Senator office hours are available. Paint this country event was a success with 75+ students and mentions ASG support was great for this event. Student leadership conference- shout out to Gavin, Jared, Jillian, chase, Jordan who also attended, networked with other college's ASG to find out what they do and how to take these ideas back to Palomar. Encourages sharing this info. Attendance requirements being tracked. Limited attendance from senators regarding these committees. Senators will be checked in with to see what committees are being worked on (2 minimum requirement).

She plans on reaching out to VP of ICC and VP of Events for this support.

Stephanie: The invitation to apply went out and has since been closed. Discussing increase to the budget to allow sending 5 students instead of 4 in the future. (not a substantial amount of time to make the change for this upcoming trip).

8. UNFINISHED BUSINESS
    Discussion/Action– 5 Minutes per Item

Hoping to send as many students as possible to conference SSCCCC advocacy academy and federal advocacy academy. A will to send more students; current budgets were stated. An increase is presented from $10,000 to $14,000. Examples of price increase for travel- from $200 to $260 per head. $14,000 would be a cushion for some of the costs that have been increased. Federal advocacy academy budget would be increased to $38,000 which would allow 6 students attendance instead of 5 with a budget of $33,000.

9. NEW BUSINESS
    Discussion/Action – 5 Minutes per Item
    a. Increase budget for SSCCC Advocacy Academy and SSCCC Federal Advocacy Academy

Motion: To increase the budget Senator Vanizinni
Second: Senator Mandrapa
Discussion: President Woolridge shares that there are ample reserves in Fund 72 and shares that we need to use up the funds and that they should be directed to student advocacy.
Senator Vanzinni: Asks for clarification on the total amount of students we're are planning to send to each event.
VPF Farrington: Restating that great opportunity to send another student to both events. Fund 72 is to get students out into these types of events and travel opportunities to advocate. He states in his opinion that the increase in budget looks good to send more students for these conferences.
EVP Hussain: Questioning what the budget increase would look like for these additional students to go.
Stephanie: reviewing the itemized budget per student, such as hotel cost per head.
EVP Hussain: asking if rooms are shared or single per student.
Advisor Stephanie: covers that rooms will not be shared due to best safety practices.
Question remaining about budget and how much the increase would look to bring an additional 2 students.
Stephanie: everything is proportional to cost. Increasing to 6 students means bringing additional advisor and how that much would cost. Gave example of another school who brought 20 but their structure was very different.
Senator Brisby: asks for the opinion of VPF Farrington.
VPF Farrington: Argue to increase 1 to 2 students because he thinks it will be a good use of reserves for student representation and advocacy.
Stephanie: adds that from advisor standpoint, bringing in more its late notice to bring in additional staff. Increase for dc may still be doable but not enough time for advocacy academy.
VPF Farrington: says didn't want to overstep Stephanie in that matter.

Motion to amend the motion to approve $15k for SSCCCAA and DC. To $39K by EVP Hussain.
Second by Senator Brisby
Discussion:
President Woolridge: clarifying advocacy academy to $15,000 and federal advocacy academy to $38,000.
Stephanie: explaining how to specify motions for price increase and leaves to board to decide. Motion on floor and moving to amend the motion to advocacy academy 15 and federal advocacy academy to $38,000.
Question remaining about budget and how much the increase would look to bring an additional 2 students.
Stephanie: everything is proportional to cost. Increasing to 6 students means bringing additional advisor and how that much would cost. Gave example of another school who brought 20 but their structure was very different.
Senator Brisby: asks for the opinion of VPF Farrington.

VPF Farrington: Argue to increase 1 to 2 students because he thinks it will be a good use of reserves for student representation and advocacy.
Stephanie: adds that from advisor standpoint, bringing in more its late notice to bring in additional staff. Increase for dc may still be doable but not enough time for advocacy academy.
VPF Farrington: says didn't want to overstep Stephanie in that matter.
EVP Hussain: asks to move on regarding motion to increase budget from advocacy academy from $10,000 to $15,000. Dc advocacy $39,000. All in favor. Motion to increase both budgets has been approved by the board.
