   Discussion/Action– 5 Minutes per Item

9. NEW BUSINESS
   Discussion/Action – 5 Minutes per Item
    a. SU-204 AV Upgrade Updates and Discussion

Advisor Linnander: Will have an AV technician come in next week to discuss the quote and answer any questions ASG members may have. This project has been ongoing for more than a year. Need for Brown Act Compliance. Issues with hearing people in the meeting room. Clarified confusion regarding previous quote; $8900. Did not address issues with the room, was only for upgrading the main microphone. The new quote will address issues with the room; will amplify speakers' voices to the room. The new quote is around $45-$50k; this comes with many more benefits than the previous $8900 quote. Hence, the inflated price. Two members from the technical support team to answer questions next week.

Senator Grub Morrison: Questioned why the previous quote a few weeks ago was only around $25-$30k.

Advisor: Clarifies that after further inspection, labor and extra equipment needs inflated the price; was not factored into initial quote. If any further questions email President or Vice President.
