Reminded ASG members to meet with the EVP for onboarding if they missed the retreat. Deadline for College Service grant this evening. Attended Veterans Day celebration; Palomar will be closed on Monday for it. There is new signage on the ASG student unions doors. Part of an effort to increase ASG visibility.     ii. Dr. Nicole Belisle
    iii. Dr. Amrik Johal
e. Committee Reports – Three (3) Minutes Each

Statewide propositions for California election still counting; prop 3 has passed, very good news for k-12 and Community Colleges. Discussed travel dates and time for State and Federal advocacy trips: Sacramento and D.C. Moved state trip to a different date, so it is not too close to the federal trip. Tentative date is the beginning of spring break; will be working on finding a concrete date. Attended EESSSC which approved the proposed language for the anti-hazing policy AP 5520. New proposal for an AI certificate of achievement.

    ii. Communications

Working on visibility via business cards for ASG executives. Working on posting ASG Senator Office hours to the Instagram for better student visibility. v. Rules

Discussed vice chair for Rules Committee, the chair will be Trustee Fridman. Proposed structure for stipends. Encouraged members to attend rules committee even after the time and date have changed. Discussed giving VP Administration a committee potentially used to track accountability. For the stipend project, considered giving a scholarship to undocumented students. Given their inability to receive a stipend. Originally sought to include Student Trustee in ASG stipend, but Student Trustee's cannot be given stipends by ASG. In the most recent meeting held a general interest vote on which stipend structure appears to be best.

vi. Events

Apologized for ongoing absences, will be working to get up to speed soon

f. Remaining or Requested Reports

i. VP of Administration

Starting Administration committee, tentatively choosing a time before the general meeting. Proximity to this meeting would be most beneficial for attendance. Email sent out to senators, would like responses letting him know which 2 committees each will be attending. Helps with accountability.

ii. ICC Ambassadors

iii. Senators

Senator Mandrapa: attended social security and covered speed bumps and other campus safety features

Senator Sheek Qader: attended PC3H via Zoom. Finished title 9 solidarity statement which includes resources for anyone struggling.

Senator Brisby: attended ISDR covered block scheduling system, feels that this system works well with most departments aside from the music department. May not be commuter friendly for students attending music classes in its current state.

Senator Grub Morrison: Has had trouble attending Infrastructure and sustainability due to vehicle issues.

Senator Derek: tried attending policies and procedures meeting; no one else attended. Will be reaching out to find potential solutions.

Senator Rivera: Attended EESSC committee and discussed how first-time students from Mexico within 45 miles of the border can attended CA Community College.
