3. **OFFICAL REPORTS**
    a. **Executive Reports – Three (3) Minutes Each**
        i. Interim President Jared Woolridge

Attended the governing board meeting last Tuesday. Noted that no compensation given to ASG members even though other members in superintendent search received monetary bonuses. In executive committee discussed roughly once a month doing office hours in the quad for visibility. Attended the college council. Recommended people join One College Many Stories to share their stories; reach out to ASG president if interested. Due to extenuating circumstances will be appointing the current VP of Events to delegate. If any ASG members are interested in being the VP of Events, email the ASG Interim President.

        ii. Executive Vice President Rabab Hussain

Met with ASG advisor to discuss compensation project. Will be conducting interviews for VP of Events and ASG President. Asked ASG members to apply for VPE. The election committee will be held next week.

    b. **Trustee Report – Three (3) Minutes**
        i. Trustee Fridman

c. **Advisor Reports – Three (3) Minutes Each**

i. Stephanie Linnander

There was an outage that impacted several services with Microsoft. In the face of that, thanked ASG members for their patience and continued communication. Asked for ASG members to speak with other students to get their input on how this outage affected the general student body. The Governing Board has approved the Santa Clara and D.C. meeting for ASG.

d. **Ongoing Guests Reports – Three (3) Minutes Each**

i. VP Nick Mata

ii. Dr. Nicole Belisle

MiraCosta to lead a Student Leadership summit/conference next year. Connected to CSUSM and Palomar. An opportunity to engage with Community College partners. There will be a parade in Balboa Park. More information to come.

iii. Dr. Amrik Johal

e. **Committee Reports – Three (3) Minutes Each**

i. Internal Affairs

Attended college council. Minor changes in some councils/committees. Tried sending emails yesterday: a form that SSCCC sent out regarding housing for students. All students can answer; don't need to be in ASG. Would appreciate if ASG members could fill it out, due date for the form is mid-January so there is no rush to fill it out.

ii. Communications

No faculty senate meeting Monday in observance of Veteran's Day. The communications committee had no meeting as well for the same reason. Posted Senator office hours on Instagram. Next week plan to post flyers and have online resources to further help with visibility and awareness regarding upcoming events. A flyer will also be made for the SSCCC equity survey. Will be sending out ASG executive business cards to the design team; getting closer to having them printed.

iii. Finance

Held finance committee Tuesday, decided will be moving forward with option two for stipend structure. Attended rules committee worked with that committee on changing bylaws to encourage accountability. There will be budget and planning meeting 12/22 2:00pm – 3:30 pm in LRC-438.

iv. Inter-Club Council

No updates regarding new clubs. ICC ambassadors, Ricardo Grub Morrison was selected to be new ICC Ambassador. Next one will be chosen by clubs. Still working on the club handbook. Discussed winter fest. Plan to hold it December 2nd 11:00am-1:00pm inviting clubs to table, ASG will be hosting lunch. No new communications with ISER

v. Rules

In the constitution, incentives were written for President and Delegates, but nothing for EVP and Senators. Planning to completely remove incentives from the constitution and add to bylaws: to keep the constitution simple. Will be starting with drafting bylaws concerning incentives next week. Will also be bringing specific

numbers for stipend project to the executives meeting following the current general meeting and will report the results in the next general meeting.

vi. Events

f. **Remaining or Requested Reports**

i. VP of Administration

Not much to report will be holding the first administration committee next week before the general meeting.

ii. ICC Ambassadors

iii. Senators

Senator Rivera: Attended the general education subcommittee; CSUs and UCs got rid of lifelong learning. The committee created a rubric for general ed area 7 lifelong learning; the Senate told them to continue discussing, and the committee will be getting clarification from the Senate on the final decision. Also noted that only roughly 30% of students are using counseling services.

Senator Brisby: Their shared governance council appears to be held very infrequently. Brought up issues with block scheduling for the music department, will be sending an email concerning that to the Dean of instruction and VP of instruction.
